BLIND BOY WINS A HARVARD SCHOLARSHIP

(By Latest Mail)

BOSTON, Mass.—William Clement Plunkett, a blind boy, who was graduated last spring from the Roxbury Latin school at the head of his class, has been recommended by the Harvard class of 1914 to receive a \$300 scholarship, which is to be offered annually by that class. The recommen-

dation for the scholarship is almost equivalent to an award, and now only the assent of the Harvard faculty is necessary.

The boy is the son of Captain C. P. Plunkett, U. S. N., of the battleship North Dakota, and lives with his mother and brother at No. 36 Crawford street, Roxbury. He went to the Roxbury Latin school five years ago as a result of a talk which his father had with Daniel O. S. Lowell, headmaster.

'STAR OF BETHLEHEM' AT PUNAHOU IS POSTPONED TO MONDAY NIGHT

"The Star of Bethlehem," the miracle play which was to be given on the Punahou campus tonight, has been postponed to Monday night. The storm has interfered with the out-of-door performance billed for tonight, but arrangements are being made which will make no further postponement necessary. If the weather is favorable it will be given in front of Paahi hall, where the setting is admirably adapted to a successful presentation. If the rain continues it will be transferred to Charles R. Bishop hall. Fortunately this can be done with a few changes and with very little, if any, loss in the scenic effect.

for the large stage in Charles R. Bishop hall lends itself happily to the dramatic possibilities of the play. The cast, under Mrs. Cox's direction, will rehearse today and tomorrow on the new stage and will be able to make the adjustments necessary to the new surroundings. It is hoped, however, that the play may be given out of doors.

If the play is given in Charles R. Bishop hall, the tickets will of course be good and will be transferred to the new seating arrangements as nearly as possible. Tickets for the Monday performance may be bought at the Honolulu Music Co. and from students.

CORNS QUIT, PAINS STOP, WITH "GETS-IT"

Quit Plasters, Salves and What-Not. After using "GETS-IT" once you will never again have occasion for asking, "What can I do to get rid of my corns?" "GETS-IT" is the first sure, certain corn-curer ever known.

If you have tried other things by the score and will now try "GETS-IT," you will realize this glorious fact. You probably are tired sticking on tape that won't stay stuck, plasters that shift themselves right onto your corn, contraptions that make a bundle of your toe and press right down on the corn. Put two drops of "GETS-IT" on that corn in two seconds. The corn is then doomed as sure as night follows day. The corn shrivels. There's no pain, no fuss. If you think this sounds too good to be true try it tonight on any corn, callus, wart or bunion.

"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. "GETS-IT" is sold in Honolulu by Benson, Smith & Co., cor. Fort & Hotel Sts., and Hollister Drug Co.—advertisement.

A meeting of the members of Honolulu Lodge 616, B. P. O. E., has been called for 7:30 o'clock this evening in the Elks' headquarters, King near Fort street. The meeting will be an important one and a full attendance is requested.

Robert R. Carter of Australia and J. Palzella were drowned in Courtney Bay, N. B., during a storm, when a row boat in which they were trying to reach shore was dashed against the side of a dredge from which they were attempting to escape.
